Public Appreciation Wall Collage

We at the NWS in Ruskin are creating a public appreciation wall collage, and are asking for your help. If you have any interesting weather photos taken from the area and would like to donate them to be included in the collage, please follow the guidelines below.

- Photos should be weather related only.
- Please identify location and date photo was taken (if known), name of the person donating, and if you want to be identified somewhere on or around the photo.
- Images should be high-resolution, and must be a minimum 300 dpi at 8" x 10". (That means the file size should be at least 1MB)
- All photos will be Credited, personal or work-related (no copyright infringements).

Please either mail your photos:

c/o Karen Brown
2525 14th Ave. SE
Ruskin, FL 33570

or email the file to:

sr-tbw.webmaster@noaa.gov or karen.a.brown@noaa.gov

Please use "Public Appreciation" in the subject line for the email. We thank you for your help.
